

УНИВЕРЗИТЕТ У НОВОМ САДУ
UNIVERSITY OF NOVI SAD

TOP ACHIEVEMENTS 2021

FACULTY OF TECHNOLOGY

First place in the Challenge Labs 2021 competition

Competition: Challenge Labs 2021, which is organized by Startit Movement, in cooperation with EIT Food (European Institute of Innovation and Food technology)

Jelena Čakarević, Danka Dragojlović and Tea Sedlar (AltPro team), PhD students at the Faculty of Technology, Novi Sad

The innovative product PlumPro is presented, which is a protein isolate obtained from plum seeds, a completely environmentally friendly product that represents a new generation of alternative proteins.
