### FACULTY OF TECHNOLOGY

---

One of the three awards for the best poster at the international scientific-professional meeting "Food for Health", held in Osijek, Croatia

International scientific and professional meeting "Food for Health", held in Osijek, Croatia

Master Engineer Of Technology Jana Zahorec, researcher-associate

---

The results shown on the award-winning poster are part of the results of long-term research within a doctoral dissertation, the topic of which is focused on the development of functional puff pastry and was closely related to the theme of the conference.
