Grand prix

16th International Biennale of Miniature Art, Gornji Milanovac, Serbia

Prof. Goran Despotovski, painting

Prof. Goran Despotovski from the Department of Painting was awarded the Grand Prize at the 16th International Biennale of Miniature Art in Gornji Milanovac. Prof. received the Grand Award in the Intermedia category for the works Zid1 and Zid2. International Biennale of Miniature Art, the largest and most common manifestation of small format art in the world. This year's jury awarded the Grand Prix and seven equal prizes, at the level of the first prize, in each exhibition category (painting, graphics, sculpture, drawing, applied art, photography and intermedia). After the selection for the exhibition, more than 600 works of art signed by authors from 25 countries of the world were chosen. As part of the main exhibition, there is also a selection of works signed by artists from Mexico chosen by the selector Leposava Milošević Sibinović.
